Feedback on Experience from Team

Daily Questions

- What went well this morning? What was challenging?
- Did anything happen this morning that made you feel uncomfortable?
- What can we do differently tomorrow to support you?
- What could your Team do differently tomorrow?
- Anything innovative your Team did that we can share with other Teams?

Questions for Wednesday Morning

- What are you taking with you from this experience?
- Any stories that stuck with you?
- What can we do differently in other communities to improve this experience?

Team's Activities and Totals

# of Complete Surveys	# of Refusals / Unable to Wake	Total (# of Surveys plus # of Refusals / Unable to Wake)	# of Persons Photographed
<ul style="list-style-type: none">• If Team was able to get pictures of most people they surveyed, what worked for them?• If Team had no refusals, what helped them be successful?• If Team had lots of refusals, what do they think were the reasons and is there anything they think they can do differently?• Any concerns about specific individuals – people who they could not communicate with due to language issues, people who they thought were at imminent risk, other concerns?			

Review of Team's Map

- Make sure Team has recorded their activities on their map.
- How much of their area have they covered?
- Do they need more people assigned to their area? Does it seem like they may finish early?

Forms and Supplies

- Did the Team run out of anything – forms, supplies, gift cards, etc...
